### 6th Class

Sixth class recently participated in an online First Aid course. They learnt about the basics of administering first aid and the importance of having this life saving skill. In the event of an accident, they learnt about the importance of knowing your Eircode and remaining calm when speaking to the ambulance personnel. Thanks to Ms. Butler for organising.

### Ms. Butler's 5th Class

Ms. Butler's class took part in the "Laundry Art" challenge. Here are some of their creations!

### Ms Durkan's 1st Class

Ms. Durkan's First Class are participating in the PickerPals programme. This programme motivates children to lead litter-picking activities with their families in the local community. It has helped to increase children's awareness of the importance of looking after the environment around them. Keep an eye out in Kilcock for some more children from First Class helping out in the local community!

### Ms Farrell's Senior Infants

Ms. Farrell's Senior Infants had a great day recently celebrating Seachtain na Gaeilge. We sang songs, played lots of games and dressed in green.

### Dates to remember

Please note that the school will close for the Easter holidays on Friday 26th March at 2:30pm (1:30pm for infants). We will reopen on Monday the 12th April.
